The March Joint Powers Authority (March JPA) has extended the comment period on the Draft Environmental Impact Report (Draft EIR) for the Veterans Industrial Park (VIP) 215 Project (State Clearinghouse Number 2016081061). In accordance with the California Environmental Quality Act (CEQA), a Notice of Availability (NOA) for the Draft EIR was previously released on March 11, 2020, through which a 45-day comment period was established, thus allowing the public to provide comments on the Draft EIR until April 24, 2020. As noted in the NOA, the Draft EIR is available for review at the March JPA's offices (address below) or on the web at:
