Home Occupation Permit Application Requirements

Purpose: The Home Occupation Permit is intended to limit enterprises which are conducted within homes to those which are clearly incidental and secondary to the use of the dwelling unit and compatible with surrounding residential uses. A Home Occupation Permit allows for the gainful employment in the home by the occupant(s) of a dwelling, to the extent that the enterprise does not require frequent customer access or have associated characteristics which would reduce the surrounding residents' enjoyment of their neighborhood. (Development Code Section 9.02.130).

Application Procedure: Home Occupation applications are reviewed over-the-counter as the information requested is submitted and the proposal conforms to the Code. A Business License Application must be obtained prior to approval of the Home Occupation Application, since no business activity shall take place within the City without the appropriate reviews and licenses.

REQUIRED FINDINGS

1. That the requested Home Occupation is not prohibited under the provisions of Section 9.02.130E
 2. That the requested Home Occupation Permit will comply with all conditions specified in Section 9.02.130D.
 3. That the issuance of the Home Occupation Permit will not be detrimental to the public health, safety, and general welfare.

CONDITIONS OF APPROVAL

1. The Home occupation shall be clearly subordinate to the use of the property for residential purposes. Further, not more than twenty percent (20%) of the gross floor area, excluding the garage area, shall be used for a home occupation. If the home occupation is conducted within a garage area, alternative on-site parking shall be provided on the driveway or other improved surface. Any structural modification of a garage that requires a permit shall not impair the use of a garage as a parking shelter for at least one automobile in a single-car garage or at least two automobiles in a double-car or larger garage.
2. The home occupation shall not alter the appearance of the dwelling unit such that the structure is likely recognized as serving a nonresidential use (either by color, materials or construction, lighting, signs, sounds or noises, vibrations, and the like).
3. There shall be no sale or display of goods or merchandise on the premises. Mail order sales are permitted. Unless otherwise prohibited by law, merchandise shall be shipped or delivered off site to the customer.
4. There shall be no signs other than the address and name of resident(s).
5. There shall be no advertising on or in the vicinity of the property or otherwise which identifies the home occupation by street address.
6. No commercial vehicles may be used for delivery of materials, with the exception of occasional and reasonable courier services to or from the premises. No more than one vehicle larger than a 3/4 ton truck may be used in connection with a home occupation. Any Commercial truck tractor, trailer, semi-trailer or commercial vehicle having a manufacturers gross weight rating of 10,000 pounds or more shall obtain a commercial vehicle parking permit. Vehicles used for mobile vending shall be subject to the State Health and Safety Codes. The aforementioned vehicles and vehicles for hire shall be subject to the parking restrictions contained in Chapter 12.36 and 12.38 of the March JPA Code.
7. All mobile ice cream vending vehicles shall operate out of an approved commissary. Private homes, commercial/household storage facilities and similar warehouse sites are not approved locations. (Riverside County Department of Health)
8. Activities conducted and equipment, material, or hazardous materials used shall be identified on the Home Occupation Permit Application.
9. No use shall create or cause noise, dust, vibration, odors, smoke, glare, electrical interference or other conditions in violation of the performance standards given in Chapter 10 of this Title.
10. Not more than one employee, other than residents of the dwelling unit, shall be allowed to work, gather, or congregate on the premises in connection with a home occupation, with the exception of babysitters or domestic staff. Home occupations utilizing an outside employee must provide adequate on-site parking.
11. The home occupation shall comply with and shall not violate any applicable local, state or federal law or regulation.
12. Any outdoor storage of materials or supplies shall be located within an accessory structure or located on the vehicle that is used in conjunction with the home occupation, and shall be of the scale typically found in a residential neighborhood of similar density. Said storage shall not constitute a public nuisance as defined in the March JPA Code.
13. The home occupation shall not generate pedestrian or vehicular traffic beyond that which is normal and incidental to a resident.

14. The home shall be subject to inspection, if the Planning Manager finds that there is reasonable cause to believe that the premises is being used in violation of the home occupation permit. The cost of the inspection shall be borne by the holder of the Permit.
15. The home occupation shall be valid only for the person to whom it is issued, at the address for which it is issued, and during the period of time for which a valid, unexpired JPA business license is in effect. Failure to properly renew said annual business license, or failure to comply with any of these Conditions of Approval will render the Home Occupation Permit null and void. The permit is subject to any changes in JPA ordinances, codes or regulations, and the permit holder is responsible for determining any such changes.
16. If the applicant is not the property owner, written authorization of the property owner or his/her authorized representative for the proposed use shall be provided prior to acceptance of an application for a Home Occupation Permit.
17. A minimum of 2-car parking shall be provided within an enclosed garage, or as required at the time building permits were issued for the construction of the residence.
18. A large family daycare home is a day care facility providing care for seven (7) to fourteen (14) children including (children residing in the home), in the provider's residence. Pursuant to the California Health and Safety Code Section 1597.46, a permit for a large family day care home is approved under the following conditions:
 - a. Applicant shall comply with the State Health and Safety Code, which includes a fire inspection.
 - b. Applicant shall provide proof of state license to the Planning Department within 60 days of this approval.
 - c. Person(s) operating the day care business must also live in the home. Additional caregivers, required under the State of California Health and Safety Code, need not live in the home.

I _____, certify under penalty of perjury that the preceding information is true and correct; and recognize that any false or misleading information shall be grounds for denying this application. I agree to comply with the above Conditions of Approval and understand that failure to comply with these Conditions will result in the forfeiture of the Home Occupation Permit. If a Certificate of Occupancy is required, the Business License Certificate will not be issued until final Certificate of Occupancy is approved.
