RTA Fares & Passes

RTA uses electronic fareboxes in all fixed route buses. The electronic fareboxes will accept coins, cash and electronic passes. Passes are the size of a credit card, printed on sturdy paper with a magnetic stripe on the back. Rather than showing your pass to the driver, you will swipe your pass in the farebox similar to using an ATM card. For cash fares, please use exact fare only. No change will be issued from either the fareboxes or the drivers. To avoid delays, use quarters instead of smaller coins. Dial-A-Ride buses use standard fareboxes and only accept cash, coins and paper tickets.

1-Day passes may be purchased on the bus. 7-Day and 30-Day passes are not sold on the bus but may be ordered online, through the mail or from one of our several pass sales outlets. When purchasing from a pass sales outlet, please be sure to call the outlet before you go to confirm they have the item you want. Not all pass outlets carry all pass products. Day passes are not valid on Dial-A-Ride.

Types of Passes

1-Day Pass

1-Day passes are designed for the occasional rider who needs to transfer often. Customers may purchase a Local 1-Day Pass, valid on local fixed routes only, or a Local+CommuterLink 1-Day Pass valid on all local and commuter routes RTA operates. The 1-Day pass is good for unlimited travel on the day the pass is first used. Your 1-Day pass will be validated by the farebox and the effective date will be printed on the back of the pass. Please verify that the correct date has been printed. 1-Day passes are not transferable to another day and there are no refunds or exchanges for lost or stolen passes. Use of a Senior or Disabled 1-Day Pass requires proper identification each time you board a bus. 1-Day Passes are not accepted on Dial-A-Ride.

7-Day Pass

The 7-Day Pass is designed to provide an affordable alternative to RTA's monthly pass. Customers may purchase a Local 7-Day Pass, valid on local fixed routes only. The 7-Day Pass must be used over a consecutive seven-day period beginning after first use. The 7-Day Pass is not sold on the bus and is only available by presale. 7-Day passes are not valid on Dial-A-Ride.

30-Day Pass

30-Day passes are ideal for passengers who travel often on the RTA bus system. Customers may purchase a Local 30-Day Pass, valid on local fixed routes, or a Local+CommuterLink 30-Day Pass valid on all local and commuter routes RTA operates. The 30-Day Pass must be used over a consecutive 30-day period beginning after first use. The 30-Day Pass is not sold on the bus and is only available by presale.

Dial-A-Ride Tickets

Dial-A-Ride tickets are only sold in books of ten tickets each. You will be required to present a ticket each time you board a Dial-A-Ride bus. Some trips may require more than one ticket or boarding. Dial-A-Ride tickets are only valid on RTA Dial-A-Ride buses and not valid on local fixed route, CommuterLink or other transit agency buses.

ACTIVATING YOUR PASS

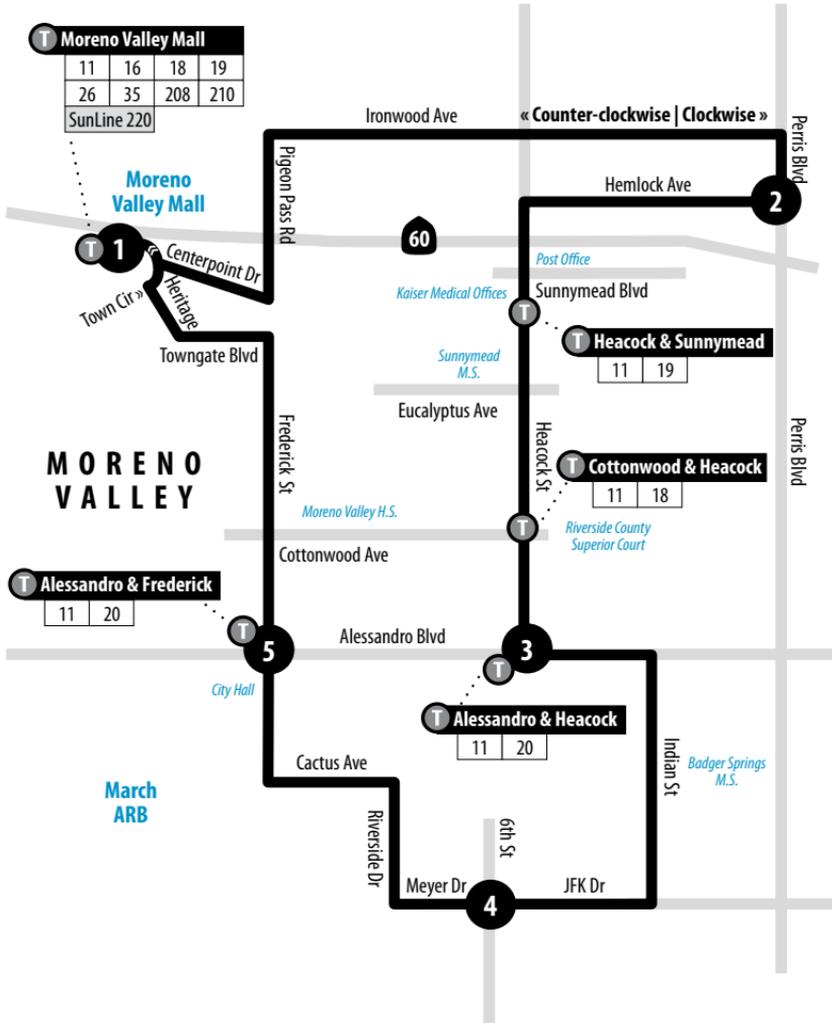

When you pre-purchase your 1-Day, 7-Day or 30-Day Pass, it will not be activated. You must activate the pass on the bus the first time you use it. To activate, insert the pass (printed side facing you with the arrow pointing down) in the activation slot on the top left side of the farebox. The farebox will print the effective dates on the back of the pass. Then, all you have to do is swipe your pass on all other buses you board and ride.

INLAND EMPIRE COMMUTER INCENTIVES

Whether you're thinking about ridesharing, or you already are, you may be eligible for one or more of these [IE Commuter](#) incentives. For complete eligibility details call 1-866-RIDESHARE (1-866-743-3742).

Those new to the program who try carpooling, vanpooling, riding the bus or Metrolink, biking, walking, or telecommuting may be eligible to receive a \$2/day incentive for every day they rideshare for the first three months.

The \$2/Day start-up rideshare incentive is for San Bernardino and Western Riverside County residents who are interested in or planning to rideshare to work. To be eligible to receive \$2 per day in gift card incentives for each day they rideshare, up to three months, participants must:

- Be brand new to ridesharing
- Have been driving alone at least 90 days prior to their rideshare arrangement start date
- Rideshare to work (walk, bike, take public transit, carpool, vanpool, or telecommute) a minimum of five (5) days per month for three consecutive months

If you are an Inland Empire resident and have been carpooling, vanpooling, buspooling, riding a public bus, taking commuter rail, bicycling, walking, or telecommuting to work at least five days per month for the last three or more consecutive months, you could be eligible for this free membership with access to hundreds of great discounts.

Rideshare Plus membership entitles you to a coupon book full of savings and access to a members-only website where you can print coupons from more than 135,000 merchants.

Vanpool Subsidy

The Victor Valley Transit Authority (VVTA) offers a \$400/month ongoing subsidy to qualified vanpools that either start or end in the greater Victor Valley. Vanpools that qualify for the VVTA subsidy won't receive the IE Commuter \$2/day or 9-month staggered vanpool incentive, or any other subsidy from neighboring vanpool programs.

Southern California Carpool Lane Map

Using the carpool lane is a benefit of making the rideshare choice. Not only does ridesharing save you money, it saves you time. The average Southern California commuter using carpool lanes saves 36 minutes a day on their commute. That's more than 140 hours per year. Southern California's regional network of more than 700 miles of carpool lanes means there is almost always a carpool lane available for your commute.
