

NOTICE

COMMUNITY MEETING

Please attend an open house meeting hosted by Meridian Park West, LLC to discuss the proposed West Campus Upper Plateau development project located within the jurisdiction of the March Joint Powers Authority.

Thursday, August 18th, 2022 – 6:00 PM to 8:00 PM
March Field Air Museum – 22550 Van Buren Boulevard, Riverside, CA 92518

Project Description: Meridian Park, LLC is proposing the development of approximately 360 acres of Mixed Use, Business Park, and Industrial land uses, as well as the creation of a 60-acre future park site. In addition, the project would place approximately 445 acres of land into a permanent conservation easement for use as hiking and biking trails. The site is generally located at the former March AFB weapon storage area and surrounding property. Please see below for the proposed land use exhibit:
