

REVISED NOTICE OF AVAILABILITY OF A RECIRCULATED DRAFT EIR (EXTENDED REVIEW)

Following the release of the Recirculated Draft EIR, it was discovered that the text on pages 3084 – 3733 of the appendices are blank. These blank pages consist of the majority of the Phase 2 Environmental Assessment Report, included as Appendix J-2 of the Recirculated Draft EIR. While Appendix J-2 of the Recirculated Draft EIR is identical to Appendix J-2 of the originally-circulated Draft EIR and is publicly available on the March JPA website, this appendix is being uploaded separately to both the March JPA website and the State Clearinghouse ceqanet site, and the public comment period for the Recirculated Draft EIR is extended to Monday, **February 26, 2024** to allow the public meaningful opportunity to review and comment on Appendix J-2 irrespective of the fact that no changes or additions to Appendix J-2 were made in the Recirculated Draft EIR.
